

CABINS G B

CABINS AND MODULAR BUILDINGS NEW, REFURBISHED, RENOVATED AND RECYCLED

Team Built Modular Buildings

A comprehensive range of jack leg or skid mounted modular buildings for commercial offices, amenities and facilities

Team Built Modular Buildings

Team Built Modular Buildings have been developed to cater for the wide range of requirements of commercial, industrial, construction users. The underlying concept for the Team Built range is based on a robust and versatile structure that will cater for the vast majority of commercial and industrial requirements and can subsequently be readily modified to the specific requirements of each application.

Principal features include:

Plastisol coated galvanised steel sheet cladding in a choice of colours that doesn't fade or scratch easily

Vinyl faced, wipe down plasterboard linings and ceiling

Solid vinyl or carpet tiles to a range of standard colours

Solid core timber or sheet steel doors

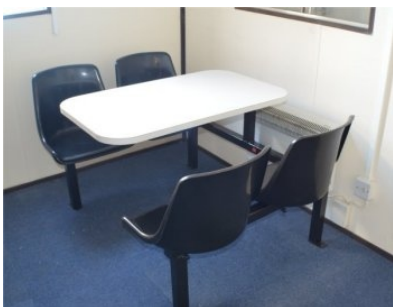

UPVC double glazed windows

Electric lighting, heating & power with optional air conditioning

Bespoke fit-out to provide integral male, female and disabled toilets, showers and catering facilities

Full range of standard sizes from 4M to 12M in increments of 1.2M in widths of 2.7M to 3.6M

Supplied furnished or unfurnished to your requirements
